Work hands-free with light right where you need it. The COAST XPH30R Dual Power™ head torch features a dust-resistant aluminum body that rolls in its bracket for dynamic directional lighting. Powered by a COAST ZITHION™ rechargeable battery (included), it also functions on two disposable lithium batteries (purchased separately) for versatility on the job—with an option to detach the torch from its bracket to become a handheld torch with a built-in magnetic base and real-time power indicator.
